

10% Horse-Textured

A moderate energy, lower protein sweet feed. Intended for times when lower protein is desirable, such as for mature show or performance horses, gestating mares, and off-season horses.

10% Protein	Ideal for mature horses, gestating mares, or off-season stallions.
Textured	Highly palatable for improved consumption.
Contains cooked steam-flaked grains	Improves palatability, energy digestibility, hair coat, and body condition.
Nutritionally balanced and fortified with vitamins and minerals.	Helps promote soundness and development.
Fantastic value!	A value price makes 10% Horse-Textured an ideal choice for larger horse operations.
